 [Application 'On the consent for the receipt of a treatment service within the framework of health tourism'](#) 

Medical Treatment Institutions wishing to offer medical treatment services to foreign patients (Medical tourism) need to complete an application:

 [Application for health care export services](#) 

The application has been filled with medical treatment institutions that wish to offer medical treatment services to foreign patients (so-called. medical tourism).

The application shall specify:

the medical services offered, indicating the location (address/es) where the services offered will be available,

in the box, *the departments of the medical treatment institution in which the service will be provided* shall indicate the offices or departments registered in [the Register](#) of Medical Institutions.

All departments mentioned in the application must be registered in the register and [must](#) be notified of compliance with the minimum requirements.

The application must be sent to the e-mail address vi@vi.gov.lv

The list of providers of medical tourism services shall include medical treatment institutions which have been registered in the register of medical treatment institutions for at least 3 years.

If a health inspection has been performed in a medical treatment institution during the last 3 years, a decision regarding the inclusion of an institution in the list of medical institutions providing medical tourism services will be taken within a week.

On the other hand, if the health inspection inspection has not been performed in the medical treatment institution in the last 3 years, it will be performed after the receipt of the submission, and the decision regarding the inclusion of the medical treatment institution in the list will be taken within 2 months.
